1. OPENING AND WELCOME:

The meeting was officially opened by the Chairperson, Mr. M.S. Mahase who welcomed every one. After reading the agenda he indicated that the meeting was not forming a quorum. He said that the quorum must be formed by at least three Councilors but there were only two Councilors present.

The labour component suggested that the Chairperson of the LLF must write a formal letters to the Chief Whip and the Speaker to indicate the unhappiness of the delegates of the LLF. They explained that the non-attendance of the Councilors really hampers the work of the LLF.

The other concern from the labour was the change of venue in the last minutes. They felt that it was a frustrating move that need to be corrected and the delegates be informed before they arrive that the venue has been changed.

II

The employer indicated that when the meeting re-convene there must be responses from those two offices.

Both parties agreed that the meeting be re-scheduled for the 2nd of April 2019.

The meeting adjourned at **11:55** .

SUBJECT: NON-ATTENDANCE OF THE LLF MEETINGS BY COUNCILLORS

As the Chairperson of the Local Labour Forum (LLF) I would like to raise my concern concerning the lack of co-operation from the Councillors by not attending the meetings of Local Labour Forum.

The Local Labour Forum is established in terms of the Main Collective Agreement Rule 11.8 on matters of mutual concern pertaining to the workplace. The LLF consists of Management component and Labour component which makes the decisions taken at the forum binding to the parties. The following Councillors have not honoured most of the Forum meetings:

Councillor S. Manese

Councillor D.R. Direko

Councillor Z.T. Macingwane

Councillor Lethlake

I have made certain that they always getting notices for the meetings, delivered to them by Corporate Service.

Their non-attendance have hampered the work of this Forum. The meetings of the Forum has not been forming a quorum since May 2018.

I would therefore request the assistance of your office in making sure that the above-mentioned Councillors attend the meetings in order to create peaceful and harmonious environment in the institution.

Yours Faithfully

Mr M. Mahase
LLF Chairperson
