Dear Sir

Ref: - Proposed Extension of ERF2203

In respect to the proposed extension to our existing centre located on Erf 2203, Virginia. We propose to enter into an agreement of sale or lease over Erf 1291 to 1294 respectively in Virginia. The land in question is located directly next to our centre and this will help us comply with parking requirements.

We kindly request that our proposal be considered soon to allow us to budget, plan and proceed with the development.
