REPORT ON THE BEST PRACTISE VISIT: ESTABLISHMENT OF A **TRAFFIC/MUNICIPAL BRANCH COURT (MOGALE CITY LOCAL** **MUNICIPALITY) (ED: CS) (12/1/2/7)**

PURPOSE

The purpose of the report is to highlight Section 80 Committee on progress made on the above mentioned matter.

INTRODUCTION AND BACKGROUND

The Constitution of the Republic of South Africa and other relevant legislation such as Local Government Structures Act give the responsibility of enforcing laws and by-laws to Local Government.

One of the Constitutional objectives of Local Government is to promote a safe and healthy environment for the Matjhabeng area. The establishment of a Municipal/Traffic Court will go a long way in ensuring the speedy finalization of cases and restoring law enforcement confidence both on our officials and the community. The establishment of a Municipal Court will also assist in rendering efficient and effective administration with regard to prosecution and adjudication of contraventions, thereby rendering support to all residents, magistracy, prosecution and other court users in the jurisdiction of Matjhabeng.

Discussions were held between the Department of Public Safety & Transport and the Traffic Department from Mogale City regarding assistance with the establishment of a

Municipal/Traffic Court. It was then resolved that a letter of request under the signature of the Municipal Manager be forwarded to the City Manager of Mogale City. The Chief from Mogale City Local Municipality was however overcommitted and the visit could not take place as planned.

The Department then again engaged into discussions regarding same during the IMPSA conference in Durban and a new appointment date was set for Friday, 21st September 2018. A delegation of five undertook the visit to Mogale City Municipality on the set date.

SECTION 80: PUBLIC SAFETY & TRANSPORT COMMITTEE RESOLVED: **(15 OCTOBER 2019)**

1. That an item **BE SUBMITTED** to Council for the establishment of a Municipal Branch Court.

9. CLOSURE

The Chairperson thanked everyone who participated in the meeting.

The Chairperson closed the meeting at **11:45**.
