Mr Mutsi informed Council that the Audit Committee Charter was based on Circular 65 of the MFMA which requires the Audit Committee to prepare a Charter that will assist to manage relations between the Municipality and the Audit Committee.

He indicated that the Audit Committee reviewed the Audit Committee Charter. In his explanation, he made reference to some of the critical chapters, such as, Chapter 3 which talks about the responsibilities of the Audit Committee, Chapter 4 which talks about the frequency of reporting, Chapter 6 which deals about the Audit Committee Charter itself and Chapter 9 which talks about the remuneration of members. He also stated that in terms of the law, members of the Audit Committee who are public servants were not eligible for a sitting allowance.

THREE YEAR INTERNAL AUDIT PLAN - 2018-2021 (SPEAKER) (6/12/1)

PURPOSE

To submit a three year Internal Audit Plan to Council for noting.

DISCUSSION

The Speaker allowed Mr MJ Mutsi to present the item to Council.

Mr Mutsi informed members that the Audit Committee met on the 23rd August 2018, and looked at several documents that were presented by the Internal Audit Unit. He mentioned that the Audit Committee noted that there is a three-year Internal Audit Plan in place, however, they did not approve it as it was not risk-based as required by legislation. He indicated that their intention was to review the Internal Audit Plan in the next 3-4 months, for the remaining 6 months of the financial year.

2

He also indicated that although the Plan needs to be reviewed, it was still relevant as it talks to the challenges facing the Municipality, such as, irregular expenditure, Supply Chain Management matters and so forth.

COUNCIL RESOLVED: (30 AUGUST 2018)

QUESTIONS OF WHICH NOTICE WAS GIVEN: CLLR P.F. BOTHA (MM) (3/1/3/2)

PURPOSE

To submit the questions raised by Cllr P.F. Botha and the response thereon by the Municipal Manager.

DISCUSSION

The Speaker allowed Cllr P.F. Botha to comment on the response received from the Municipal Manager.

Cllr P.F. Botha indicated that he was perturbed by the response received from the Municipal Manager pertaining to the Megaworks Enterprise contract. He indicated that 3 invoices amounted to R600 000.00 and the contract awarded to the company amounts to R28.8 million over the entire period when calculated for 6 towns.

3

He indicated that in response to question 4, the Municipal Manager said the contract was not advertised because the said company made a proposal. He indicated that in terms of Supply Chain Management Policy, no goods amounting to R200 000.00 including VAT could be secured without following competitive bidding processes. In exceptional cases where it is impractical to follow the prescribed procedure, the Municipal Manager must supply reasons and report to Council, but such report never came to Council.

He mentioned that in response to question 5 pertaining to whether the company was VAT registered, the Municipal Manager attached a tax clearance certificate which was approved on 21/06/2018 whereas the contract was awarded on 21/06/2017. He indicated that the SCM regulation states that no contract should be awarded to a company without tax clearance from SARS.

He further indicated that the fact that the Municipality awarded a contract worth R28.8 million based on a proposal by a company which did not have a clearance certificate does not abide well with him, and therefore he would report the matter to the MPAC, to the Audit Committee and to SCOPA for further investigation.

COUNCIL RESOLVED: (06 SEPTEMBER 2018)

During the discussion of this item the following questions were posed:

QUESTIONS		RESPONSES/ SUGGESTIONS
1.	The April-June reports reflect overtime payments for political appointments, why are those payments not reflected in the quarterly report and why is the Mayor's budget not reflecting overtime whereas his drivers were claiming for it?	The Executive Mayor explained that his body guards were not getting overtime but were placed at an equivalent level but other officials assisting in his office belong to other departments. He promised to investigate the matter and report back to Council.
2.	Was there a plan in place to address the R2.2 billion debt on bulk water which increases by R50 million a month, as the Municipality would never be able to service such debt?	<ul style="list-style-type: none"> • Sedibeng and ESKOM tariffs are disputed by various Municipalities as they tend to double their tariffs and they are using the municipal servitude which they are not paying for. • The Municipality should devise their own consumer metering device that will register the supply of water to own reticulation system in order to have information that could be used in disputes. • SALGA intends to take ESKOM to Court on behalf of all affected Municipalities in the Country.
3.	Ligia Paper is owing the Municipality over R30 million including interest and what is done to claim that money?	FDC is having challenges with their properties all over Free State stating they can't afford to pay- a report would be submitted to the Revenue Enhancement Committee.
4.	Flamingo Lake Development had been transferred to the Municipality back in 2007 and why is their debt not written off?	The CFO should address the matter.

PROGRESS REPORT ON PROJECTS THAT ARE DONE WITH PROVINCIAL DEPARTMENT OF HUMAN SETTLEMENTS (EXECUTIVE MAYOR) (5/6/2/13)

PURPOSE

To present progress report before Council with regard to the projects where Contractors were not yet appointed by the Province.

DISCUSSION

The Executive Mayor presented the item to Council.

During the discussion of this item, Cllr MJ Badenhorst raised her concern with regard to projects in Ventersburg and Hennenman stating that Resolutions taken in 2017 under Item SA17 were not followed entirely although the projects had already commenced, i.e.:

- No possible funding of electrification by the Department of Energy;
- No money for infrastructure;
- ESKOM is not allowing the increase of Notified Maximum Demand in Ventersburg;
- No building plans were submitted but the Contractor had started to build;
- In Hennenman the project was cancelled but has now commenced although the sewerage capacity was not increased.

Cllr TD Khalipha explained that the matter of providing housing was the mandate of the Provincial and National government and the MEC had visited the area and promised that they will do everything to ensure that the project is completed. He mentioned that the Provincial government was spending more than R150 million on Infrastructure at Matjhabeng.

He indicated that Contractor in Hennenman was fired because of not following the specifications and a new Contractor had been appointed to finish the work.

The Municipal Manager explained that after engagements at National level between SALGA, COGTA and other stakeholders, that matter had been addressed. He also indicated the HOD ensured that the infrastructure would be provided as they had pressure to provide houses and to ensure that the money allocated is not taken back as R340 million was taken back last year.

COUNCIL RESOLVED: (06 SEPTEMBER 2018)

1. That the Council **TAKES NOTE** of the report.
2. That the Mayor **MUST INTERACT** with the Provincial Department of Human Settlements to ensure that the Projects are launched by October 2018.
