<b>(a)</b>	<p><b>Opening</b></p> <p>The Speaker welcomed everyone present at the 5<sup>th</sup> Ordinary meeting for the year 2017 and reminded members that the meeting was initially scheduled for the 30<sup>th</sup> of November 2017 but was then postponed to the 6<sup>th</sup> of December 2017 and due to unforeseen circumstances, it was postponed again to the 16<sup>th</sup> of January 2018. He then declared the meeting open.</p> <p>He extended his gratitude to everyone for their contribution in 2017 and wished that 2018 would be a year in which service delivery would be intensified.</p> <p>He reminded the EFF Councillors to comply with Rule 32 as all members are expected to respect the adopted Rules and Orders. He informed members that although EFF Councillors had made a request that Rule 32 be amended, their request was subjected to the Rules and Ethics Committee and until such time that a decision is made to amend the rules, the adopted Rules and Orders still stand.</p> <p>He also acknowledged the decision taken by Council that he should investigate the conduct of EFF Councillors and informed members that the matter was referred to the Rules and Ethics Committee and a report on the findings will be submitted to Council.</p> <p>The EFF Councillors wanted to know whether the non-inclusion of their questions in the Agenda was a preconceived intention to exclude them from the Council meeting.</p> <p>Cllr S. Tshabangu wanted to know whether the manner in which the EFF female Councillors were dressed was also in conflict with the adopted dress code, as they were not wearing overalls like the male Councillors.</p> <p>The Speaker responded that the manner in which all EFF Councillors were dressed was contravening the adopted dress code, as they were all wearing colours and regalia of their political party.</p> <p>He responded to the question of non-inclusion of the questions submitted EFF Councillors by stating that the questions were submitted to the Office of the Municipal Manager in mid-December and by then the Agenda was already loaded in the system, as the meeting was initially scheduled for November 2017 and later postponed to the 6<sup>th</sup> of December 2017. He indicated that their questions would be included in the 31<sup>st</sup> January 2018 Council agenda.</p> <p>The Speaker then ruled that the EFF Councillors should leave the Council Chambers and come back when they are dressed in compliance with the adopted dress code.</p>

He also indicated that if the situation persists, a possibility is high that salaries would not be paid.

## 5

Councillors raised their concerns that officials in Finance department are failing the community by not providing residents with their accounts and by not answering their phones when concerned residents call to enquire about their accounts. They indicated that some residents prefer to pay on Saturdays but municipal offices are closed during week-ends.

They also raised concerns concerning the high amounts of money owed to the municipal creditors, like Sedibeng and ESKOM, which threatens to disconnect the services, the salaries which amounted to R56 million in October 2017, as well as the non-consideration of non-cash items which will have an impact at the end of the financial year.

Others raised a concern that the Municipality was paying huge amounts to Sedibeng as a result of uncontrolled water leakages throughout Matjhabeng, uncontrollable zama-zamas who are damaging the municipal infrastructure, as well as non-provision of meters in several areas which are consuming for free.

They suggested that smart meters should be prioritized and the Municipal Manager should invite the debt collector, named Trifecta and at the next Council meeting to come and report to Council on how effective their debt collection is.

**(6/6/2)**

**PURPOSE**

To submit to Council the upper limits of salaries, allowances and benefits of different members of Municipal Council as per **Government Gazette No 41335** dated **15 December 2017**.

**DISCUSSION**

The Speaker presented the item to Council.

During the discussion of the item, Cllr SE Tshabangu indicated that he wished that Councillors would decide not to implement the recommended increase, instead would decide to set an example by showing commitment to the importance of effective governance by working hard on stabilizing the institutional capacity to deliver services better and to ensure that revenue collection is improved. He based his statement on the reality of the municipal financial incapability to generate income as indicated in the financial reports that the collection rate for the past months was far below the budgeted percentage of 85%.

He urged Councillors to reshape and ask hard questions on how to make the Municipality work better again by compromising the increase this year, work hard and ensure that they get the increase the following year but if they insist on the increment, they should consider not to backdate it.

He indicated that this will show their commitment by being an example to the community when they go around on a Masakhane campaign for payment of services.

Cllr SE Tshabangu then requested that it should be placed on record that he does not support the increment.

**COUNCIL RESOLVED: (16 JANUARY 2018)**

1. That Council **APPROVES** the increase of 5% for full-time Councillors and 6% for part-time Councillors, backdated from the 1<sup>st</sup> July 2017.
2. That the Municipality **MUST IMMEDIATELY INTERACT** with the MEC for Cooperative Governance and Traditional Affairs, for concurrence to implement the increment.
