DRAFT MATJHABENG MUNICIPALITY EAP (EMPLOYEE ASSISTANCE PROGRAMME POLICY)

STATEMENT OF THE POLICY

The Council has acknowledged the importance of maintaining productive employees/councillors through Employee Assistance Programme (EAP). Employee Assistance Programme is a coordinated and comprehensive set of financial/health promotion that seek to achieve the following benefits:

- Lower health care costs,
- Increase productivity,
- Decrease absenteeism,
- Reduce work related ill-health and injuries,
- Raise employee's morale.

The Employee Wellness Programme is available to all employees of Council and employees experiencing problems are encouraged to seek advice from their Employee Wellness Programme Practitioner. The programme is further aimed at assisting Management to improve or restore impaired job performance. **NB:** CONFIDENTIALITY of all records will be strictly preserved.

Participation in this Programme is voluntary and utilization of the Programme will not jeopardize employee 'promotional opportunities, job security or disciplinary process. Diagnosis of an employee's personal problem(s) is not part of Supervisor's or Manager's job function. Therefore referral for diagnosis and treatment will be based only on job performance/behavior. **NB:** The employee has the right to refuse referral to EAP. However, such cases can be referred to Director Corporate Support Services to arrange a focus discussion.

1. PREAMBLE

The Matjhabeng Local Municipality cares about the health and social wellbeing of its employees and do recognize the number of personal problems which impact negatively to its employees.

The Council realizes that an Employee Wellness Programme is not simply a humanitarian way of resolving personal problems so that they do not impede job performance, but it's a coordinated and comprehensive programme which seek to reduce absenteeism; Sick leaves; Reduce Injuries on duty; control retirements; limit disciplinary hearings; promote productivity in general.

This is done online with the Council commitment of rendering better services with productive councillors/employees strategy of Batho-Pele Principle.

The role and responsibility of Employee Wellness Department is to keep the Matjhabeng Local Municipality as an area of "work by choice", ensuring the commitment made by Council on EAP program.

2. OBJECTIVES

- To provide assistance in the form of confidential counselling and referral, to every employee who experiences personal as well as work related problems.
- To ensure productivity and quality of life to its employees while taking into consideration the employees families and relatives.
