8. MATTERS FOR DISCUSSIONS

The Committee agreed that all the department must go back and make presentations documents available, so this item was referred to the next meeting.

9. DEPUTATIONS AND INTERVIEWS

PURPOSE OF THE PRESENTATIONS

It was indicated that the purpose is to check whether the Evaluation of the Ward Based Service Delivery program for April to 12 Oct 2018 was implemented or not.

Presentation 1

Dept. of infrastructure

The department presented the 2019 MIG budget of 119070 00 and the list of projects according to the allocation of the department.

Issues raised by the Chair of Chairs Committee

- ✓ The upgrading of the Far East Hall must be implemented and it was long overdue
- ✓ What is the Plan around the fencing of Phumlani Cemetery

- ✓ The project of Sewer Connection in Ward 16 which does not appear on the presentation but it's in progress.
- ✓ Ward 26 is not covered at all on the list of projects and the issue of Zuka Baloyi for renovations not appearing again.
- ✓ The problem of Sewer line in Odendaalsrus town does not appear anywhere.
- ✓ The Committee indicated that no presenter must come to the Section 80 Committee without the presentation documents for the Committee members to be able to engage on the presentation.
- ✓ Storm water in Allanridge is unfinished and left open main hall which can put kids in danger.
- ✓ Ward 29 Dr Mngoma road must be fixed, when it's raining it is very bad.
- ✓ The issue of the High mast lights in Virginia was raised many times but to date nothing was done.
- ✓ The committee must read the Council resolution on the issue of T16 and that resolution must be implemented.
- ✓ The two sewer line that has collapsed in ward 8 was not rectified until today.
- ✓ The installation of the water meters from different wards does not appear on the presentation

THE CHAIR OF CHAIR SECTION 79 COMMITTEE RESOLVED (28 MARCH 2019)

1. That dept. of infrastructure must go back and make presentation based on the ward based service delivery program.

Presentation 2

dept. of Finance

PURPOSE

To give progress report on the issue of indigents forms in the whole 36 wards of Matjhabeng.

The total number of captured forms that are appearing on the system are 14 942 for the financial year 2018/2019.

DISCUSSIONS

- ✓ It was indicated that there is a new electronic system which will be easy to use for the indigent's forms, and officials will be trained to be able to know how to use it. The system will be linked with some of the institution that will identify if a person is working or not.
- ✓ Councillors indicated that it will proper next time if the department can be able to identify those that were processed and those who were failed when capturing, a list of indigents per Ward for them to be able to go back and report to the community.
- ✓ In some wards there are areas without water meters and it's causing people not to receive accounts and can't pay the Municipality.
- ✓ That Municipality does not have people who are doing meter reading in the township and its affect the community.

- ✓ The issue of the abandoned sites in the entire Matjhabeng is the reason why people are not paying the municipal services because they don't have Municipal accounts.
- ✓ The issue of Bangladesh using municipal services also must be looked into by the Finance department.

THE CHAIR OF CHAIR SECTION 79 COMMITTEE RESOLVED (28 MARCH 2019)

1. That the office of the MM must instruct the department of infrastructure to speed up the process of meter installations in the different affected wards.
2. That the rental units in Ward 30 must be considered as indigents, especially those who qualify because they are using municipal services.
3. That the list of all elderly people who are not receiving free electricity must be brought forward and they will be updated on the system by the finance department.

The meeting was closed at 12h31.
