The 'Actual Billings' figure reflects the amount invoiced to consumers for services consumed during the month of September 2019.
The 'Consumer Revenue' relates to revenue actually received from consumers during September 2019. However this revenue is for amounts billed to consumers during months prior September 2019.
'Grants & Subsidies' refer to intergovernmental transfers which are both Capital and Operational Grants.
'Other Revenue' relates to items such as Interest on Debtors, Rental, etc billed during the month.

Information contained in these two tables are presented in the form of graphs for ease of use. It should be noted that the information in these graphs compares to the budget for the month to the actual revenue received, and not to the amount billed.
