Dear Municipal Manager

QUESTIONS OF WHICH NOTICE HAVE BEEN GIVEN

In terms of the Standard Rules and Orders of Council, Rule 52, I would like to ask the following questions at the first Ordinary Meeting of Council, next ensuing.

BACKGROUND:

In general Community members are unsatisfied with the expenditure on e.g. the Christmas lights function, while the service delivery in Matjhabeng is unsatisfactory.

QUESTIONS IN TERMS OF THE STANDARD RULES AND ORDERS:

1. Do we plan a Christmas lights function this year?
2. Did the Matjhabeng Council budget for the mentioned function?
3. If yes, what will the total cost of the function be this year?
4. Seeing that Matjhabeng Local Municipality also has financial constraints, will it not be more appropriate to use the money to uplift our standard of service delivery efforts e.g. to close potholes, to fix street lights, to clean our Matjhabeng (streets, taxi ranks, service lanes, in the open spaces, in the surrounding regions)?
